## Lynn Anderson

Morning comes and Lord my mind is aching sunshine standing quie tly at my door Just like the dawn my heart is silently breaking With my tears it goes tumbling to the floor Once again the whole town will be talking Lord I've seen the pi ty that's in their eyes They could never understand it's his sorrow not another woman And no matter what they say I know he tried Baby's packed everything and he's left me he's left me And I know he didn't mean to make me cry It's not his heart Lord it's his mind he didn't mean to be unki nd Why he even woke me up to say goodbye It's not his heart Lord it's his mind he didn't mean to be unki nd Why he even woke me up to say goodbye goodbye baby
