

# Here Comes My Baby Back Again

Lynn Anderson

Here comes more tears to cry here comes more heartaches by  
Here comes my baby back again  
Here comes more misery here comes old memories here comes my ba  
by back again  
My arms are open wide to let more hurt inside here comes my bab  
y back again  
He's sorry once again once more I'll understand here comes my b  
aby back again

My arms are open wide...  
Here comes my baby back again
