No Another Time

Lynn Anderson

Ten times up and three times down

Everybody knows that's the way to drown

And then it's too late to swim into the shore

And this'll be the third time you left me for her

And there ain't gonna be no another time

There ain't gonna be no another time

When ain't gonna be no another time

When you leave you'd better pack cause you ain't comin' back

There ain't gonna be no another time

Before we explain what I'm a talkin'

About three strikes baby and then you're out

You've already had two swings at the ball

There's just one more and I'm afraid that's all

'Cause there ain't gonna be no another time...

I've always heard about the third time charm
And this is the strip number three you've made to my arms
I hope you'll find what you're looking for
'Cause I'm changing the lock on my front door
And there ain't gonna be no another time...
There ain't gonna be no another time...
