## **Once A Day**

## Lynn Anderson

When I found somebody new I thought I never would Forget you for I thought then I never could But time has taken all the pain away until now I'm down to hurt in' once a day Once a day all day long and once a night from dusk till dawn The only time I wish you weren't gone is once a day every day a ll day long

I'm so glad that I'm not like a girl I knew one time She lost the one she loved then slowly lost her mind She sat around and cried her life away lucky me I'm only crying once a day Once a day all day long... Once a day every day all day long
