

On and On

Mac Miller

Uh huh

Hey

Excuse me son, can I see your identification?

I wanna walk into the mall, tell the man ill take it all
Drop in from the rooftop, what's gon' break my fall
I think I might go on and on forever
On and on forever
I think this could go on and on forever
I wanna walk into the store, I'll take everything and more
Travel round the world to places I ain't been before
I think I might go on and on forever
I think this could go on and on forever

I been ridin in my car, with the music all the way up
See me shining, I'm a star
Take a picture, see ya later
I've been dreaming of some crazy shit, and everytime I wake up
Gotta head back to reality, but reality is greater
Then you could ever imagine, you say that you cooler
But I'm better at rappin, I'm forever the captain
I be makin moves without a joystick- thumbs up
Joint lit, y'all get what the point is
Baby I am here, I ain't going nowhere
All these haters say I'm fakin, but I really don't care
Got my team, they right beside me
You know where to find me
Burgh representative, I need y'all behind me
Cause it's all about the

I wanna walk into the mall, tell the man I'll take it all
Drop in from the rooftop, what's gonna break my fall?
I think I might go on and on forever
On and on forever
I think this could go on and on forever
I wanna walk into the store, I'll take everything and more
Travel round the world to places I ain't been before
I think I might go on and on forever
I think this could go on and on forever

Hey

One day Imma get mine too, and I think that sometime soon
Whatever you got in your crib, Imma get it If I win or lose, what the fuck I
gotta prove?
I've been livin out my dream, everything I saw came true

Travel on a tour, for them screaming fans
I gotta steller reputation, gonna be who I am
Imma be the ... collecting people everywhere like samsung
Thought I'd shoot around the back, alley oop and what
District championship game, you ready oh?
You don't sound ready, better scream it just to let em know
Team? they right beside me, you know where to find me
Burgh representative, I need y'all behind me cause

I wanna walk into the mall, tell the man I'll take it all
Drop in from the rooftop, what's gonna break my fall?

I think I might go on and on forever
On and on forever
I think this could go on and on forever
I wanna walk into the store, I'll take everything and more
Travel round the world to places I ain't been before
I think I might go on and on forever
I think this could go on and on forever

Yeah
This is how it goes
Gotta make sure everyone knows
