

# Feed My Fire

Amy Macdonald

Searching for the answers I never thought I'd find  
Fascination, inspiration, corners of my mind

Feed my, feed my fire, hold me, pure desire  
Waiting, waiting for the time

We will be mine, you will be mine  
You will be mine

Feed my, feed my fire, hold me, pure desire  
Waiting, waiting for the time  
Feed my, feed my fire, hold me, pure desire  
Waiting, waiting for the time

Picking up the pieces of the heart you left behind  
Put me back together this new love I've found  
Basking in the glory, masking out the pain  
These memories in my head will never be the same again

Feed my, feed my fire, hold me, pure desire  
Waiting, waiting for the time  
Feed my, feed my fire, hold me, pure desire  
Waiting, waiting for the time

We will be mine, you will be mine  
You will be mine

I'm running just to find you  
And my feet won't touch the ground  
Aching for the time to change, it's coming back around  
I'm running just to find you  
And my feet won't touch the ground  
Aching for the time to change, it's coming back around  
Coming back around

Feed my, feed my fire, hold me, pure desire  
Waiting, waiting for the time  
Feed my, feed my fire, hold me, pure desire  
Waiting, waiting for the time

We will be mine, you will be mine  
You will be mine

Oh, I love you baby, please  
Never leave me, it's true love you see  
Oh, I love you baby, please  
Never leave me, it's true love you see
