

Butterfly Wings

Machines of Loving Grace

Well you can't place faith in material things
Material things will fail you
A hurricane triggered by a butterfly's wings
Conspirators betray you

Don't place faith in human beings
Human beings are unreliable things
Don't place faith in human beings
Human beings or butterfly wings

Well you can't place faith in a new regime
That fascist faith will kill you
A hurricane triggered by a butterfly's wings
Your conspirators betray you

Don't place faith in human beings
Human beings are unreliable things
Don't place faith in human beings
Human beings or butterfly wings

There's something burning deep inside I know
There's something inside this hole
Tonight when I chase the dragons
By their fruits you shall know them

Don't place faith, don't place faith
Don't, don't
When I decide to live within my mind the heart dies
Oh, the heart dies
Mother Superior in the sky, the heart dies
Oh, the heart dies

Don't place faith in human beings
Human beings are unreliable things
Don't place faith in human beings
Human beings or butterfly wings
