

At Least She's Pretty

Madilyn Bailey

One second in this video I know that her voice is trash
She's worse than bad
Wish I never had listened, this song's ruined, yeah
If you went on X factor, Simon would say
"This is the worst voice I've heard, you can't polish a turd"
She looks like a ghost, literally sounds like a goat
OMG, I just vomited in a bag
No one likes you, so just stop

You're pretty skinny, you're pretty fat
You're pretty ugly, yeah, you're pretty bad
She's not the best, she's not the worst
Just seems pretty average
But at least she's pretty, whoa, whoa, whoa

Eyebrow color, just no, your noise is gross
No guy wants a girl with pointy elbows, yeah
She looks like a corpse, you're flat like a board
Is it possible for her not to look like a...
Why's this a**hole still farting on YouTube?
No one likes you, like if you agree

You're pretty skinny, you're pretty fat
You're pretty ugly, yeah, you're pretty bad
I'm pretty bored, looks really forced
It just seems pretty average
But at least she's pretty, whoa, whoa, whoa

I'm not a fan anymore, same, I hate your cheesy page
Is it just me or is there something wrong with her face?
Sticking out your stomach can't hide your eating disorder, yeah
I think you look thinner and that makes you look older

Shut the fuck up you stupid, annoying, ugly, no boobs, very white skin woman
No one even likes you anymore
You're useless and not wanted, stop tryna hide your stupid feelings
And act like nothing happened, you ugly rat
Quit YouTube already

You're pretty skinny, you're pretty fat
You're pretty ugly, yeah, you're pretty bad
She's not the best, she's not the worst
Just seems pretty average
But at least she's
Pretty basic, pretty trash, pretty awful, pretty bleh
It's pretty much the worst thing that I've ever heard
Pretty sucky, pretty flat, pretty rough, pretty eh
I don't know if this could get much worse than that
But at least she's pretty
But at least she's pretty
