

I'm Your Biggest Fan

Madilyn Bailey

Is sand called sand because it's between sea and land?
Why do we park on driveways and drive on parkways?
A rainbow comes after a rainbow
I see air, it looks invisible

I want you on my team because
Really U r so creative and brilliant
Jk like... seriously...

Don't take this the wrong way
I guess I need you more than you need me...
I wish that you would just understand
Hello I'm your biggest fan
Ooooh
I'm your biggest fan
Ooooh

You're like sunshine with sushi
If my life was a movie
You must be the main character
Everything about you is art
Diamond heart
True fact girls fart

(KKK... I'm turning into a potato in 3... 2... 1)

Potato potato
I like potatoes
Crumpled potatoes
Dancing potatoes
Kawaii Potatoes
Baked potatoes
I'm a potato
Potato potato

I want you on my team because
Really U r so creative and brilliant
Hey hey it's ok

Don't take this the wrong way
I guess I need you more than you need me...
I wish that you would just understand
Hello I'm your biggest fan

Every star in the sky makes me think of you
A million pieces of lovely melodies
String the pieces together, we dream together
Dreaming of being a taco

I'm your biggest fan
Got a tattoo of your name on my hand
I'm your biggest fan
Bam Bam we're the MadFam
I'm your biggest fan
Bless the Potato man
I'm your biggest fan
Hello!

And this is how the song ends
