

# See You Again

Madilyn Bailey

It's been a long day  
Without you my friend  
And I'll tell you all about it  
When I see you again

We've come a long way  
From where we began  
Oh I'll tell you all about it  
When I see you again  
When I see you again

Damn, who know  
All the planes we flew  
Good things we've been through  
That I'd be standing right here talking to you  
'Bout another path  
I know we loved to hit the road and laugh  
But something told me that it wouldn't last  
Had to switch up  
Look at things different  
See the bigger picture  
Those were the days hard work forever pays  
Now I see you in a better place

How could we not talk about family  
When family's all that we got  
Everything I went through  
You were standing there by my side  
And now you gonna be with me for the last ride

It's been a long day  
Without you my friend  
And I'll tell you all about it  
When I see you again

We've come a long way  
From where we began  
Oh I'll tell you all about it  
When I see you again  
When I see you again

First you both go out your way  
And the vibe is feeling strong  
And what's small turn to a friendship  
A friendship turned into a bond  
And that bond will never be broken  
And the love will never get lost

And when brotherhood come first  
Then the line will never be crossed  
Established it on our own  
When that line had to be draw  
And that line is what we reached  
So remember me when I'm gone

How could we not talk about family  
When family's all that we got

Everything I went through  
You were standing there by my side  
And now you gonna be with me for the last ride

So let the light guide your way  
Hold every memory as you go  
And every road you take  
Will always lead you home

It's been a long day  
Without you my friend  
And I'll tell you all about it  
When I see you again

We've come a long way  
From where we began  
Oh I'll tell you all about it  
When I see you again  
When I see you again
