

Titanium

Madilyn Bailey

You shout it out, But I can't hear a word you say I'm talking loud not saying much I'm criticized but all your bullets ricochet You shoot me down, but I get up

I'm bulletproof, nothing to lose Fire away, fire away Ricochet, you take your aim Fire away, fire away You shoot me down but I won't fall I am titanium You shoot me down but I won't fall I am titanium

Cut me down But it's you who have further to fall Ghost town and haunted love Raise your voice, sticks and stones may break my bones I'm talking loud not saying much

I'm bulletproof, nothing to lose Fire away, fire away Ricochet, you take your aim Fire away, fire away You shoot me down but I won't fall I am titanium You shoot me down but I won't fall I am titanium I am titanium I am titanium

Stone-hard, machine gun Firing at the ones who run Stone-hard, those bulletproof glass

You shoot me down but I won't fall I am titanium You shoot me down but I won't fall I am titanium You shoot me down but I won't fall I am titanium You shoot me down but I won't fall I am titanium I am titanium
