

# You're Not Kanye West

Madilyn Bailey

God save America  
Vote Kanye  
I'm the reason I smile  
Every day

And I feel bad for my exes  
Imagine losing me  
Wish I could follow myself, I  
Wish I had a friend like me

And I'm not gonna lie  
I love me so much right now

If I got any cooler  
I would freeze to death, yeah, yeah  
You might be talented  
But you're not Kanye West, yeah, yeah  
And maybe I couldn't be skinny and tall  
But I'd settle for  
Being the greatest artist of all time  
I'm sorry, Taylor  
But you're not Kanye West, yeah, yeah

Get emotional over fonts  
Wish I could run across a beach into my own arms, oh  
I need a room full of mirrors so that I can be surrounded by winners,  
yeah  
Kim doesn't understand what a blessing I am to her  
I like you, but I love me  
I like you, but I love me  
I like you, but I love me so much right now

If I got any cooler  
I would freeze to death, yeah, yeah  
You might be talented  
But you're not Kanye West, yeah, yeah  
And maybe I couldn't be skinny and tall  
But I'd settle for  
Being the greatest artist of all time  
Sorry, Taylor  
You're not Kanye West, yeah, yeah

I just threw some kazoo on this b\*tch

I'm sorry, Taylor  
But you're not Kanye West, yeah, yeah
