

## A Beautiful Life

Madina Lake

I'm trapped in here  
And all the stress and fighting  
Makes it hard to hear  
Any love left in our words  
What sense does it make  
To fight and betray  
Life is hard enough, why can't we  
Just learn to be  
Relax and to breathe  
It's all how we perceive

And when you realize your life's inside  
You will find a piece of mind  
And we can have a beautiful life  
There is no future, no such thing as time  
With no regret or guilt inside  
We can have a beautiful life

It's warm in here  
And you could hear a pin drop in my  
Mind, it's clear  
Free from all the drama  
And the weight of you  
Now that you know who I am I used to  
Wonder why, I would lie so much  
That I gave up my life  
Cause you would never accept who I was

And when you realize your life's inside  
You will find a piece of mind  
And we can have a beautiful life  
There is no future, no such thing as time  
With no regret or guilt inside  
We can have a beautiful life

No I'm not worried, and I'm in no hurry  
Cause I just don't care anymore  
I'm finally proud of who I have become  
And I'll never change for anyone  
No oh oh

And when you realize your life's inside  
You will find a piece of mind  
And we can have a beautiful life  
There is no future, no such thing as time  
With no regret or guilt inside  
We can have a beautiful life
