

The way you dance it turns me on
But you know that I'm spoken for
The way your sweat drips off your chest
You know that I'm wanting more

The lust, the sex, the heat, this sweat
And nothing else matters
But you and me without your dress.
I already forgot her
You, you have no idea what you do to me
And you, you have no idea what you're doing to me

Pandora,
I don't know how you charmed your way into my heart
And I don't know how you snuck your way into my arms
But I know that I'll regret what I did
And I know that I'll regret it forever as I throw my life away,
Pandora

The girl I love sits at home and I know that she's lonely
But I'm watching you take off your clothes
You're the star of this moment
The love, the hate, the guilt, my fate
Is hanging in the balance
You, you have no idea what you do to me
Oh you, you don't even care what she means to me

Pandora,
I don't know how you charmed your way into my heart
And I don't know how you snuck your way into my arms
But I know that I'll regret what I did
And I know that I'll regret it forever as I throw my life away,
Pandora

And by the time that I come home she's already sleeping
Sit on the bed and take off my clothes
My nerves they're shaking
The lust, the sex, the heat, this sweat
Your body is quaking
The love, the hate, the guilt, my fate
Against this temptress

I'm a shame
I'm a shame

Pandora,
I don't know how you charmed your way into my heart
And I don't know how you snuck your way into my arms
But I know that I'll regret what I did
And I know that I'll regret it forever as I throw my life away
(forever as I throw my life away)
Forever as I throw my life away,
Pandora
