

Michael Caine

Madness

Well get ya ya ya
Well get ya ya ya

(I am michael caine)

La la la la la la la la

Hes walking where Im afraid I dont know
I see the firemen jumping from the windows
Theres panic and I hear somebody scream

He picks up useless paper and puts it in my pocket
Im trying very hard to keep my fingers clean
I cant remember tell me whats his name

(my name is michael caine)

And all I wanted was a word or photograph to keep at home
And all I wanted was a word or photograph to keep

The sun is laughing its another broken morning
I see a shadow and call out to try and warn him
He didnt seem to hear just turned away
The quiet fellow follows
And points his finger straight at you
He had to sacrifice his pride, yes
And throw it all away

(I am micheal caine)

And all I wanted was a word or photograph to keep at home
And all I wanted was a word or photograph to keep

His days are numbered he walks round and round in circles
There is no place he can ever call his own
He seems to jump at the sound of the phone

Staring out the window theres nothing he can now do
All he wanted was to remain sane
He cant remer hisemb own name

(my name is michael caine)

And all I wanted was a word or photograph to keep at home
And all I wanted was a word or photograph to keep
All I wanted was a word or photograph
All I wanted was a word or photograph to keep
