

# Crazy Old Mothers

Magnum

You walk in the shadows, you gave in too soon  
An endless procession that follows the moon  
You wake up each morning, the same every day  
Your life feels so empty, don't throw it away

You may work, you may be rich  
Like a king just passing by  
All these things won't make you better  
And bad news still makes you cry

Come on, you crazy old mothers  
Let's get in trouble  
Come on, you crazy old mothers  
Let's get in trouble tonight  
How does it feel? You remember  
It's in your flesh and blood  
How does it feel? You remember  
Just like you knew it would

It means nothing to you, you say it's all right  
But you realize when your knuckles turn white  
There's so many pathways, keep pulling you in  
Don't know where you're going, don't know where you've been

Write a note or make a call  
And explain just how you feel  
Put it all down in a letter  
What you say, this is for real

Come on, you crazy old mothers  
Let's get in trouble  
Come on, you crazy old mothers  
Let's get in trouble tonight  
How does it feel? You remember  
It's in your flesh and blood  
How does it feel? You remember  
Just like you knew it would

Yeah, sometimes it's hard to resist  
And maybe the way that you choose to go  
Yeah, knowing the things you dismissed  
And even the way that you say hello

How does it feel? You remember  
It's in your flesh and blood  
How does it feel? You remember  
Just like you knew it would

Come on, come on, you crazy old mothers  
Let's get in trouble  
Come on, come on, you crazy old mothers  
Let's get in trouble tonight  
How does it feel? You remember  
It's in your flesh and blood  
How does it feel? You remember  
Just like you knew it would
