

Lost On The Road To Eternity

Magnum

Whoa, just with a smile they spoke
Turning their eyes
And now on their words they choke
No compromise

Yeah, power and greed are king
And how many die?
Where, where does it all begin?
There's no reply

Ride, ride on the wings of a storm
With good grace
Hide, hide all your fears within
With your true faith

You know we're lost on the road to eternity
Nobody's looking and nobody cares
You know we're lost on the road to eternity
Well there's no mercy, no magical prayer

A-O, A-O, O
Eternity

Life washed up on every shore
Lonely the bell
Rings, closes the open door
Always farewell

Ride, ride on the wings of a storm
With good grace
Hide, hide all your fears within
With your true faith

You know we're lost on the road to eternity
Nobody's looking and nobody cares
You know we're lost on the road to eternity
Well there's no mercy, no magical prayer

A-O, A-O, O
Eternity

You know we're lost on the road to eternity
Nobody's looking and nobody cares
You know we're lost on the road to eternity
Well there's no mercy, no magical prayer

A-O, A-O, O
Eternity
