

# So Let It Rain

Magnum

I'll write my story  
Using all my own ideas  
I don't know the ending  
But there'll be tears  
I'll paint my own sky  
'Cause I know what it's about  
There's no defending  
Won't scream and shout

I don't conceal many things but beware  
Dark clouds will fall, that's all right, I don't care

So let it rain  
Oh, let it rain down on me  
Yeah, let it rain  
Oh, let it rain down on me  
You know that I don't give a damn  
I'm only me, that's who I am  
So let it rain  
Yeah, let it rain down on me

Your days are numbered  
Telling me which way to go  
And your existence  
An all time low  
No need to worry  
You're the last thing on my mind  
I'll go the distance  
See what I find

When people say I'm a fool, that's unfair  
Take them away if you want, I don't care

So let it rain  
Oh, let it rain down on me  
Yeah, let it rain  
Oh, let it rain down on me  
You know that I don't give a damn  
I'm only me, that's who I am  
So let it rain  
Yeah, let it rain down on me

Some people run, try to hide but instead  
They never will be  
And maybe one day it will happen to me  
I'll sit and watch all the clouds overhead  
Ride out to the sea  
And when it comes down, it means nothing to me

So let it rain  
Oh, let it rain down on me  
Yeah, let it rain  
Oh, let it rain down on me

So let it rain  
Oh, let it rain down on me  
Yeah, let it rain

Oh, let it rain down on me  
You know that I don't give a damn  
I'm only me, that's who I am  
So let it rain  
Yeah, let it rain down on me

So let it rain  
Oh, let it rain down on me  
Yeah, let it rain  
Oh, let it rain down on me  
You know that I don't give a damn  
I'm only me, that's who I am  
So let it rain  
Yeah, let it rain down on me

So let it rain  
Oh, let it rain down on me  
Yeah, let it rain  
Oh, let it rain down on me  
You know that I don't give a damn  
I'm only me, that's who I am  
So let it rain  
Yeah, let it rain down on me
