

# You're the One

Magnum

I won't be home tonight  
I got your news but I feel all right  
I'm going to take this town  
I'm going to turn it upside down  
You won't tell me no more lies  
Won't need no alibis

You're the one  
You're the one who walked out on me  
You're the one  
You're the one who yelled victory  
Things have changed now that you're gone  
Don't you know you're the one?  
You're the one  
You're the one who'll be history

Don't want your love any more  
Don't want to hear you knocking on my door  
So don't you come back tonight  
Everything'll be locked up tight  
What's a man supposed to do?  
I won't be crying over you

You're the one  
You're the one who walked out on me  
You're the one  
You're the one who yelled victory  
Things have changed now that you're gone  
Don't you know you're the one?  
You're the one  
You're the one who'll be history

You won't tell me no more lies  
Won't need no alibis

You're the one  
You're the one who walked out on me  
You're the one  
You're the one who yelled victory  
Things have changed now that you're gone  
Don't you know you're the one?  
You're the one  
You're the one who'll be history

You're the one  
You're the one who'll be history  
Don't need to tell you  
You're the one  
You're the one who'll be history  
I won't be crying  
You're, you're the one  
You're the one  
What's a man supposed to do?  
You're the one  
You're the one who'll be history
