

My New Friend

Maia Hirasawa

I got a new friend now
I don't know, but I hope it is for real
But somehow I really doubt
'Cause she comes and goes
Can never know for sure

She arrives when I'm alone
She has beautiful plans
And I am always strong
And she makes me sweet and young,
But when somebody else comes
She doesn't want to come along

I don't know why she doesn't want to come along

I wish that she could stand
Behind my back and smile
When I don't know what
I should do, do with all this crap
But she never shows up, and what kind of friend is that

Crying on the kitchen floor
I don't know what happened
But she wasn't there for sure
And how can I, how can I know
Is my new friend gone
Or is she coming back for more

I don't know why she doesn't want to come along
