

# Control

Majical Cloudz

Will you let me change  
I want to but I think you want me the same  
And I know that it's not a game

I want to move really slow  
And while I dance can I tell you about control  
Of my body in the eyes of my soul

Would you control me  
Would you lock me up and then never set me free  
Would you, I am on my knees

Is this going too slow  
You think so but we won't speed it up, no no  
Cause I like it when the song goes slow

Can I try to be you  
Can I dress up in your clothes and be somebody new  
Can I dance in a pair of your shoes
