

Do you love me?  
Or am I wearing you out?  
Am I wearing?  
Am I pretty still?  
Am I pretty?  
Or am I going downhill?  
Am I going down

You are near me  
You are near me  
You are near me  
Oh, no one gets close  
Oh, no one gets close

Are you breathing still?  
Are you breathing?  
Or am I choking you out?  
Am I choking?  
Am I painless still?  
Am I painless?  
Or am I hurting you now?  
Am I hurting?

You are near me  
You are near me  
You are near me  
Oh, no one gets close  
Oh, no one gets close

Oh, no one gets close  
No one gets close  
No one gets close to me
