So Blue

Majical Cloudz

Blue moon
Yesterday
I wasn't here for you
Go on now
In the way you do
Try not to be
So blue [x3]

Blue moon
It is strange
How you appear
Whenever you do
Go on now
You will say
You already do
But try not to be
So blue [x3]

Blue moon
In the rain
I wanted to say
I need you
But I felt so
In the way
Of you
I'll try not to be
So blue

I'll try not to be so blue
So blue
