

Love Unconditional

Majid Jordan

That love unconditional (Love unconditional)
That love unconditional (Love unconditional)

I remember when I used to bathe in the comfort your shades 'til I
I had to let you go
'Cause you were just clouding my way, ayy-ayy, ayy
I know it took some time
But my mind's already made up (Oh, oh)
I know it's been a while
And I don't think this is enough, oh-oh, oh

You want me to be something I can't be
That I can't be and it hurts me
In too deep, got a vision that I can't see
It's nothing left for me, girl

Give me that love unconditional (Love unconditional)
You know what I want, baby
That love unconditional (Love unconditional)
This isn't enough

Oh yeah, I'm letting go
You may say that I'm insane, you may say
I'd like to move on
From whatever's bugging me
From whatever I feel, it's just bringing me down, I'm running on empty
I know it took some time
But my mind's already made up (Oh, oh)
You never really cared
Maybe I care too much, oh-oh, oh

You want me to be something I can't be
That I can't be and it hurts me
In too deep, got a vision that I can't see
It's nothing left for me, girl

Give me that love unconditional (Love unconditional)
You know what I want, baby
That love unconditional (Love unconditional)
This isn't enough, baby
Give me that love unconditional (Love unconditional)
You know what I want, baby
That love unconditional (Love unconditional)
This isn't enough, baby

That love unconditional
You know what I want
Love unconditional, baby
You do, do-do
