

# Sway

Majid Jordan

Come on, uh  
Let's go (Ooh, ooh)  
Can you dance with me? (Ooh, ooh)  
Yeah, just like that

Temptation, conversation, I hear what you saying  
Playing safe but we're losing our patience  
Doing things that my body is craving  
So amazing the way that she moves

She's my favorite dancer (I like that)  
I'm dreaming of the last, ooh, ooh-ooh, ooh (Come on)  
Call me and I'll answer (I like the way you move)

I want you to sway, I want you to sway (Sway)  
I want you to let the record play  
I want you to let the record play (Let's)  
I want you to sway (Sway), I want you to sway (Sway)  
I want you to let the record play  
Let the record state (Come on), I love you (Let's go)

You say you wanna have champagne all night, let's drink all night  
Party on the weekend, it's alright  
Everytime I leave, I change your mind, I swear  
Anytime you need I'm there (I'm there, somewhere)  
You think that it's unfair (Unfair)  
I know how much you care (Come on)

Ooh (Come one), ooh-ooh, ooh (Yeah)  
She's my favorite dancer (I like the way you move)  
I'm dreaming of the last, ooh, ooh-ooh, ooh (Don't stop)  
Call me and I'll answer

I want you to sway (Let's roll), I want you to sway  
I want you to let the record play  
I want you to let the record play (Let's go, let's go)  
I want you to sway, I want you to sway  
I want you to let the record play (Come on)  
Let the record state, I love you (Let's go)

Yeah  
I need you (I need you)  
I love you (I love you)  
Ooh she bad and she got it like that (Yeah)  
Ooh she bad and she got it like that (I need you)  
Ooh she bad  
Let the record play (Come on)

I want you to sway, I want you to sway (Sway with me, sway with me, yeah)  
I want you to let the record play  
Let the record play  
I want you to sway, I want you to sway  
I want you to let the record play (Yeah)  
Let the record state, I love you (I love you)

(I want you to sway)  
Baby

I need you (I want you to sway)  
I want you (Let the record play)  
Let's roll (I want you to sway)  
Sway, sway (Come on, let's go, yeah)  
Let the record play (I want you to sway)
