

# While You Were Sleeping

Man Overboard

It's a shame the lights don't shine on you back in Jersey  
'Cuz Broad Street and Walnut are looking real bright  
And to think, that maybe I had been a better a companion  
You wouldn't need this rescue once a night

I can hear you breath  
I can smell your sheets from New Jersey  
And I got a mind  
To get out of bed right now  
And come over to see you

I can't imagine you all alone  
In the big city on your own  
Who's going to protect you?  
I couldn't be there as much as I wanted to

But you don't need me  
I just need you  
I hope you want me to come over right now  
'Cuz I'm going to

I hope you miss the way it feels when we wake up together  
I'm going to...
