

# I Wanna Be with You

Mandy Moore

I try but I can't seem to get myself to think of  
Anything but you  
Your breath on my face, your warm gentle kiss  
I taste the truth  
I taste the truth  
You know what I came here for  
So I won't ask for more

I wanna be with you  
If only for a night  
To be the one who's in your arms, who holds you tight  
I wanna be with you  
There's nothing more to say  
There's nothing else I want more than to feel this way

I wanna be with you

So I'll hold you tonight like I would if you were mine  
To hold forever more  
And I'll savor each touch that I wanted so much  
To feel before  
To feel before  
How beautiful it is  
Just to be like this

I wanna be with you  
If only for a night  
To be the one who's in your arms, who holds you tight  
I wanna be with you  
There's nothing more to say  
There's nothing else I want more than to feel this way

I wanna be with you (I wanna be with you)  
I wanna be with you

Oh, baby, I can't fight this feeling anymore  
It drives me crazy when I try to  
So call my name, take my hand  
Can you make my wish, baby, your command

I wanna be with you  
There's nothing more to say  
There's nothing else I want more than to feel this way

I wanna be with you (I wanna be with you)  
I wanna be with you  
I wanna be with you, yeah  
(I wanna be with you) I wanna be, I wanna be with you  
I wanna be, I wanna be, I wanna be  
I wanna be with you  
I wanna be baby, I wanna be with you  
I wanna be, I wanna be, I wanna be (I wanna be with you)  
I wanna be baby, I wanna be with you  
I wanna be, I wanna be, I wanna be  
I wanna be with you  
I wanna be with you  
I wanna be (I wanna be with you)

I wanna be with you  
I wanna be with you
