Oh you're old I hear you say  
**C** **Dmi**  
It doesn't mean that I don't care  
**Gmi** **B**  
I don't believe in it anymore  
**C#** **C**  
Pathetic acts for a worthless cause

R: In the beginning when we were winning  
**B** **Asus4** **A**  
When our smiles were genuine

But now unforgiven, the everlasting everlasting
2. The world is full of refugees,  
they're just like you and just like me  
But as people we have a choice  
to end the void with all it's force  
So don't forget or don't pretend  
it's all the same now in the end  
It was said in a different light  
destroys my days and haunts my nights
- R: In the beginning...
- But now unforgiven, the everlasting, everlasting
- R: In the beginning...
- But now unforgiven, the everlasting, everlasting  
But now unforgiven, the everlasting, everlasting...
