

## William's Last Words

### Manic Street Preachers

Isn't it lovely, when the dawn brings the dew?  
I'll be watching over you  
Isn't it lovely, when the dawn brings the dew?  
I'll be watching over you

Goodnight my sweetheart  
Until we leave tonight  
Hold me in your arms  
Wish me some luck as you wave goodbye to me

You're the best friends I ever had  
Goodnight, sleep tight  
Goodnight, God bless  
Goodnight, nos da  
I'll try my best

Isn't it lovely, when the dawn brings the dew?  
I'll be watching over you  
Isn't it lovely, when the dawn brings the dew?  
I'll be watching over you

I will be waiting all my cares are for you  
Dreams they leave and die  
I'm just gonna close my eyes, think about my family  
And shed a little tear

Goodnight, sleep tight  
Goodnight, God bless  
Goodnight, nos da,  
I'll try my best

Isn't it lovely, when the dawn brings the dew?  
I'll be watching over you  
Isn't it lovely, when the dawn brings the dew?  
I'll be watching over you

Leave me, go Jesus  
I love you, yeah I love you  
Just let me go  
I even love the devil  
But yes he did me harm  
Don't keep me any longer  
'Cos I'm really tired  
I'd love to go to sleep and wake up happy  
Yeah I'm really tired  
I'd love to go to sleep and wake up happy,  
Wake up happy.
