

Mad Man's Dead

Mano Negra

Don't, don't, don't, don't, don't
Don't, don't, don't, don't upset me
Don't, don't, don't, don't, don't
Don't, don't, don't, don't upset me
Gotta tell it to you mom
Gotta tell it to you pa
Gotta tell it to the teacher
Gotta tell it to the preacher
Don't, don't, don't, don't, don't
Don't, don't, don't, don't upset me
Say it to the cops
Say it to the company
Everything is red
Buzzin' in my head
Everything is red
(Don't bother me)
Don't, don't, don't, don't, don't
Don't, don't, don't, don't upset me
I got on a black cat bone
This B.C bone weighs 16 ton
I got on a big black gun
This big black gun, I'm gonna use it son
Don't, don't, don't, don't, don't
Don't, don't, don't, don't upset me
Here comes my 19th
Nervous breakdown
I'm goin' downtown
Here comes my 19th
Nervous breakdown
I'm goin' downtown
Mad man's dead
Mad man's dead
Mad man's dead
Mad man's dead
Mad man's dead
Mad man's dead
I'm warnin' all the neighbours
I'm warnin' Mr landlord
I'm warnin' all you suckers
I'm hangin' loose and I'm bored
Well, I'm bored
Mad man's dead
Mad man's dead
Mad man's dead
I'm warnin' all the neighbours
I'm hangin' loose and I'm bored
Mad man's dead
Mad man's dead
Mad man's dead
Mad man's dead
