## **Kings of Metal**

Manowar Manowar living on the road When we're in town speakers explode We don't attract wimps 'cause we're too loud Just true metal people that's Manowar's crowd

They wanna keep us down But they can't last When we get up we're gonna kick your ass Gonna keep on burnin' We always will Other bands play Manowar kill Other bands play Manowar kill

We like it hard, we like it fast We got the biggest amps, man they blast True metal people wanna rock not pose Wearin' jeans and leather, not cracker jack clothes

They wanna keep us down But they can't last When we get up we're gonna kick your ass Gonna keep on burnin' We always will Other bands play Manowar kill Other bands play Manowar kill

We're the kings of metal comin' to town When we light up, have the roof nailed down Don't try to tell us that we're too loud 'Cause there ain't no way that we'll ever turn down

They wanna keep us down But they can't last When we get up we're gonna kick your ass Gonna keep on burnin' We always will other bands play Manowar kill
