

# The Ascension

**Manowar**

Powers of the Universe  
Did sire a Son

He was baptised  
By Fire, Water, Earth and Sky

From Darkness  
He rose up in Triumph  
To Ascend the Throne of Light

And he alone  
Shall Forever be Known  
As the King of Kings

I Enter this World  
Born under a Sign  
Of infinite Light  
And here I shall Dwell  
I now Understand  
All that I am  
Shall live in Thy command
