Here to the blaze
I wander
Through this black night
I ponder
The edge of our mighty swords
Did clash
Fallen by our axes
Helmets smashed

Glory and fame
Blood is our name
Souls full of thunder
Hearts of steel
Killers of men
Of warriors friend
Sworn to avenge our fallen brothers
To the end...

One day too
I may fall
I will enter Odin's Hall
I will die sword in hand
My name and my deeds will
Scorch the land

Glory and fame!
Blood is our name..
Soul full of thunder!!
Hearts of steel
Killers of men!
Of warriors friend
Sworn to avenge our fallen brothers

Sons of the gods today we shall die Open Valhalla's door Let the battle begin with swords in the wind Hail Gods of War

Sons of Odin we four.!!

By the hammer of Thor!

Ride down from the sky....

Another is born

Another shall fall

This day men will die!!!!

Glory and fame
Blood is our name
Souls full of thunder
Hearts of steel
Killers of men
Of warriors friend
Sworn to avenge our fallen brothers
Sons of the gods today we shall die
Open Valhalla's door
Let the battle begin with swords in the wind

Sons of the gods today we shall die Open Valhalla's door Let the battle begin with swords in the wind Hail Gods of War

Let the battle begin with swords in the wind Hail Gods of War!!!

...Onward into the heart of battle Fought the sons of Odin Outnumbered many times Still they fought on Blood poured fourth from their wounds Deep into the earth Vultures waited for the broken shells That once were bodies But Odin alone would choose the day They would enter Valhalla And in their hour of need He sent forth unto them The Berserker Rage Now gods and men They rose up from the ground Screaming like wild animals Such is the gift of absolute power No blade or weapon would harm them They killed them and horses alike And all who stood before them died that day

Hail Gods Of War!!!!!
