

Katana - Awakening The Lunacy

Manticora

Day of confirmation
Or day of opposition to be precise
Smiling faces in excess
And spirits high - you can see it in their eyes

Tales of old and tales of new
All of what was, and what's to happen then
An artifact presented to start up the madness
Awakening the ancient blood-lust again

Katana -
Awakening the lunacy
Opening Pandora's box
Katana -
Awakening the lunacy
Creation of a monster has begun

Entering a sudden trance
A gruesome fantasy
Providence of destruction
Of gods and monsters and horrors to be

Swatting at mosquitoes
Indifferent to the creeping evening cold
The enchantment of the tale
Mesmerizing the boy, swallowing him whole
