

# Nowhere Land

Manticora

I'll desecrate your weak beliefs  
You must feel so old  
Went out to see another world  
And found that it had turned so cold

Stranded in unknown surroundings  
In a place where time has no meaning  
Cant seem to find my way out of here  
Trapped in a nowhere land  
Open my thoughts to the masses  
The manticore is my illusion  
Cant seem to open the door out of here  
Trapped in a nowhere land

Absent but absolutely there  
Consciousness expanding  
I know the meaning of it all  
That's what im thinking

Stranded in unknown surroundings  
In a place where time has no meaning  
Cant seem to find my way out of here  
Trapped in a nowhere land  
Open my thoughts to the masses  
The manticore is my illusion  
Cant seem to open the door out of here  
Trapped in a nowhere land

And so we fought...
