

# Could You Believe

Marc Broussard

Do you wonder  
Do you believe  
In a life where we can see  
Better days than these  
What would it look like  
How would it feel  
Will all the hurting on the Earth get to heal  
I know it's hard to hold on  
But I won't let you go  
There's no easy answers  
But

Could you believe  
We got more, more than we ever need  
Could you believe  
In what we are and everything we can be  
I believe love is strong,  
Strong enough to get us through  
Could you believe  
Would you believe  
In me and you  
Believe in me and you

So many reasons  
To run away  
Take our eyes off of love  
And give up on today  
Nothing's certain  
But one thing is clear  
Tomorrow's gonna come now  
So are we gonna be right here  
Be right here  
I know it's hard to hold on  
I won't let you go  
There's no easy answers  
But

Could you believe  
We got more, more than we ever need  
Could you believe  
In what we are and everything we can be  
I believe love is strong,  
Strong enough to get us through  
Could you believe  
Would you believe  
In me and you  
Believe in me and you

Just take my hand  
Cause this is beautiful  
Walk with me  
We'll find everything we're looking for  
We both know  
Know that it won't be easy  
Oh, but you gotta believe

Could you believe

We got more, more than we ever need  
Could you believe  
In what we are and everything we can be  
I believe love is strong,  
Strong enough to get us through  
Could you believe  
Could you believe

Could you believe  
Could you believe

Could you believe  
Would you believe  
In me and you  
Believe in me and you
