

# Leave a Light On

Marc Broussard

Oh, tell me what's on your mind  
Cause I'm hoping all you need is some time  
You're leaving or so you say  
Well, I'm not so sure how things turned out this way

And I hope you know I'll never put you down  
And when the times get hard don't to hesitate to turn around  
Cause I'll, I'll leave a light on  
You're never too far gone  
Where ever your heart leads you to roam  
I'll leave a light on

Strangers don't know your name  
They don't care where you're going or from where you came  
Though angels may lose their way  
But I don't have the wings to fly away

And I hope you know I'll never put you down  
And when the times get hard don't to hesitate to turn around  
Cause I'll, I'll leave a light on  
You're never too far gone  
Where ever your heart leads you to roam  
I'll leave a light on

Tell me what's on your mind  
Was it everything you hoped that you would find  
You're still running, but I can see  
That the road you're on is leading back to me

I'll, I'll leave a light on  
You're never too far gone  
Where ever your heart leads you to roam  
I'll leave a light on

Yes, I'll leave the light on  
I'll leave the light on  
I'll leave the light on
