

Simma

Marc E. Bassy

Feel this rain, whoa
Feel this bass

From the back, man, we always do the most
Put off, and she swear she saw a ghost
You can see the stars when the booth close
Baby, put me in a gang like a coast
Girl, bust it down (Yeah), girl, B.I.D. (B.I.D.)
We goin' clubbin' (Goin' down)
Don't need I.D. (Need I.D.)
Don't want no drama (Want no trouble)
Don't look at me (Look at me)
Bassy don't be fighting in the V.I.P

Bouncer's gonna say, "Simmer down, simmer"
Girls, come get loose; sexuality but thinner
Simmer down, simmer
I'mma fuck you right against the wall like a pin-up
Simmer down, simmer
Girls, come get loose; sexuality but thinner
Simmer down, simmer
I'mma fuck you right against the wall like a pin-up

Man, I swear that the news bring me down
That's why I gotta keep it by the pound
All my ex's live L.A. downtown
Yeah, I hear you fuckin' rappers, shut 'em out
Girl, get your money (Get your money)
I never hate (Never hate)
Even if I was wrong in a hundred ways (Godda-)
It's always trouble when you look my way (Look my way)
You mess up on me like a stole a hundred G's

Bouncer's gonna say, "Simmer down, simmer"
Girls, come get loose; sexuality but thinner
Simmer down, simmer
I'mma fuck you right against the wall like a pin-up
Simmer down, simmer
Girls, come get loose; sexuality but thinner
Simmer down, simmer
I'mma fuck you right against the wall like a pin-up

I know you what you hear when you talk slick
I got things with a wife; we like 'Yonce
I got rings but the gang got me heartless
And I'm made for this shit, that's regardless

Yeah, we could drown in the liquor
She told me that it's water, I said, "Baby, I'm a swimmer."
She like my durag in the light hat shimmer
When we cookin' with the sauces, always better when you simmer
Havin' a cabin in my name for the winner
Hidden and mine is like a Mariah Carey glitter
I know them other bitches gotta be bitter
Baby, you fire on that wood, you don't gotta Who got the keys to the AMG, li
l baby wanna stay with me

Bouncer's gonna say, "Simmer down, simmer"
Girls, come get loose; sexuality but thinner
Simmer down, simmer
I'mma fuck you right against the wall like a pin-up
Simmer down, simmer
Girls, come get loose; sexuality but thinner
Simmer down, simmer
I'mma fuck you right against the wall like a pin-up
