

At This Moment

Marco Borsato

What did you think
I would do at this moment
When you're standing before me
With tears in your eyes

Trying to tell me that you
Have found you another
And you just don't love me no more

What did you think
I would say at this moment
When I'm faced with the knowledge
That you just don't love me

Do you think
I would curse you
Or say things to hurt you
'Cause you just don't love me no more

Do you think I could hate you
Or raise my hands to you
Now come on! You know me to well

How could I hurt you
When darling I love you
And you know
I could never hurt you, oh!

What did you think
I would give at this moment
I you'd stay I'd subtract
Twenty years from my life
I'd fall down on my knees
Kiss the ground that you walk on
If I could just hold you again

I'd fall down on my knees
Kiss the ground that you walk on
If I could just hold you

If I... could just hold you

If I...

If I could just hold you again
