

Strength and discipline unmatched
Bright courage - dark morals
A fortress in the waxing storm
A march to a certain death

To the death's head true
From Tiger 1 to 2
See the despondent foes flee
...from the 503

Donets - Kharkov - Zitadelle - Dnjepr
Kirowograd - Tscherkassy - Winniza - Carphatis

Strength through utter despair
Dreadful fangs - grinning jaw
Death on caterpillar band
Cutting through like a rusty saw

Thick wall of hate and steel
Proud nations on their knees
Embrace the killing sprees
...of the 503

Tarnopol - Caen - Orne - Budapest
Plattensee - Tyrnau - Mistelbach - Budweis

To the death's head true
From Tiger 1 to 2
See the despondent foes flee
...from the 503
