La-a-a-a-a-di-da

If I had a dollar every time that I swore you off
And a twenty every time that i picked up when you called
And a crisp new Benjamin for when you're here then gone again
And a dollar every time I was right about you after all

Boy I'd be rich, head to toe Prada
Benz in the driveway, yacht in the water
Vegas at the Mandarin, high roller gambling
Me and Diddy drippin' diamonds like Marilyn
No I wouldn't be covered in all your IOU's
Every promise you made me would have some real value
Cause all the little lies rolling on your lips
Is money falling from the sky...shit I'd be rich
La-a-a-a-a-di-da
I'd be rich
La-a-a-a-a-di-da

If I had a dime every time that you crossed my mind
Well I'd basically be sitting on a big ass pile of dimes
And all the times that you make my heart feel cheap
I might as well have won the lottery
All of this pain and me cursing your name
Would just turn into dollar signs

Cause I'd be rich, head to toe Prada
Benz in the driveway, yacht in the water
Vegas at the Mandarin, high roller gambling
Me and Diddy drippin' diamonds like Marilyn
No I wouldn't be covered in all your IOU's
Every promise you made me would have some real value
Cause all the little lies rolling on your lips
Is money falling from the sky...shit I'd be rich
La-a-a-a-a-di-da
I'd be rich
La-a-a-a-a-di-da

Told myself I wouldn't do this again
But how much you wanna bet I'mma do this again?

Cause I'd be rich, head to toe Prada
Benz in the driveway, yacht in the water
Vegas at the Mandarin, high roller gambling
Me and Diddy drippin' diamonds like Marilyn
No I wouldn't be covered in all your IOU's
Every promise you made me would have some real value
Cause all the little lies rolling on your lips
Is money falling from the sky...shit I'd be rich
La-a-a-a-a-di-da
I'd be rich
La-a-a-a-a-di-da

I'd be rich
La-a-a-a-a-di-da
I'd be rich
