

# Stay Close To Me

Margaret Becker

Lately I've been finding  
Comfort in this truth  
I am just a child of need  
Who's found her hope in You

Stay close to me  
Stay close to me

Lately I've been quiet  
Remembering who You are  
Fascinated with the love  
You've shown to me this far

Stay close to me  
Stay close to me

Never leave me, never go  
I need You here, I need to know  
You will always be close to me, stay

Lately I've been finding  
Comfort in this truth  
I am just a child of need  
Who's found her hope in You

Stay close to me  
Stay close to me

Never leave me, never go  
I need You here, I need to know  
You will always be close to me

Stay close to me  
Stay close to me  
Stay close to me  
Stay close to me

Stay close to me  
Close to me  
Stay close to me, stay

Never leave me, never go  
I need You here, I need to know  
You will always be close to me

Close to me  
Stay close to me  
Close to me
