Boytoy Baby

Maria Mena

Tell me
am I your baby?
You misunderstand me,
just want a piece of your ass
Impress me
afterall I'm a lady
And dude if you bore me
i'll send you back to your wife

You're just a Boytoy Baby

Romance

I don't want no romance

Just grab me with your hands
and leave when I'm done

Honey

You can keep all your money I want you to owe me It's just a game that I play

You're just a boytoy baby Boytoy baby
