How Much

Mariah Carey

The way I feel for you I can't describe It's almost too intense To verbalize Essentially you're all I'm living for And basically each day I need you more and more

[Chorus] Have you even been so enamored baby That's how much I love you All I need in this life you see Is me and my boyfriend Have you ever feint lost When you know you gotta leave me That's how much I love you

Love is yours and mine Till the very end Just me and my boyfriend

Don't underestimate the love in me It's obvious these feelings run so deep I fall and fall for you day after day Nobody else could ever take your place

[Chorus]

You don't gotta waste your time and worry You don't gotta look for reassurance 'Cause clearly you're the only one that's getting this and Sugar I don't need nobody else But you And honey I ain't letting go too soon Because 1 can't get enough Why you asking how much? It's more than you can handle baby

[Chorus]
