

# If It's Over

**Mariah Carey**

Won't you talk to me  
This is so out of hand  
Something's gone wrong  
With the life that we planned

Won't you look at me  
You're avoiding my gaze  
And it seems like you've changed  
In so many ways

[Chorus]  
It isn't fair  
It isn't right  
If it's really gone  
Then tell me tonight  
If it's over  
If it's over  
Let me go

Won't you speak to me  
I'm just here holding on  
'Cause baby I really don't need to wait around  
If the feeling is gone

[Chorus]

I don't need no apologies  
I'm not looking for no sympathy  
All I'm asking for  
Is for your honesty

Won't you give it to me  
Give it to me now

It isn't fair  
It just isn't right  
'Cause if it's really gone  
You've got to say the word tonight

If it's over  
If it's over  
Won't you let me know  
Baby if it's over

If it's over  
Over – let me go
