

# Never Too Far/Hero Medley

Mariah Carey

You're with me  
Till the bitter end  
What we had transcends  
This experience  
Too painful to  
Talk about  
So I'll hold it in  
Till my heart can mend  
And be brave enough  
To love again

A place in time  
Still belongs to us  
Stays reserved in my mind  
In the memories there is solace

Oh, never too far away  
I won't let time erase  
One bit of yesterday  
Cause I have learned that  
Nobody can take your place  
Though we can never be  
I'll keep you close to me  
Always remember

Love  
(You're never too far away)

There's a hero  
If you look inside your heart  
You don't have to be afraid  
Of what you are  
And There's an answer  
If you reach into your soul  
And the sorrow that you know  
Will melt away, yes

And then a hero comes along  
With the strength to carry on  
And you cast your fears aside  
Cause you know you can survive  
So when you feel like hope is gone  
Look inside you and be strong  
And you'll finally see the truth  
That a hero lies in you

Oh  
See lord knows (lord knows)  
Dreams are hard to follow  
But don't you let anyone  
Tear them away  
(You've got to, you've got to)  
(You've got to, you've got to)  
You've got to hold on  
And there will be tomorrow  
And in time you'll find the way  
(You'll find the way)

Then a hero comes along  
With the strength to carry on  
And then you cast your fears aside  
Because you know you can survive  
So when you feel like hope is gone  
Look inside you and be strong  
And then you'll finally see the truth  
That a hero lies in you

That a hero lies in you

(Love)  
Nobody can take your place (ah)  
Never too far
