Dancing with the One-Legged...

Marilyn Manson

You're gonna have a bunch of angry kids Well, when you do go out to a club Wait, wait, wait That, you just gotta watch yourself whatever you do Yeah, sure You just can't expect to go out there and just dance and don't get Touched and non violent because that's what it is I, I don't see how If you get the music inside your soul anything can happen. You don't play the music, you can't get it It's the music The music? Music is dangerous My s s s sympathy to the parents
