

Hidden Heart

Marit Larsen

In a book, in a drawer,
underneath the wooden floor,
far away or close to home,
in company or alone?
Did the beat inside your chest
Leave to play outside the nest?
Did you wake to find it gone
In company or alone?

Hidden heart, hidden heart,
where do you seek a hidden heart,
Hidden heart, hidden heart,
where do you keep a heart?

Out your body, through the air,
yeah, you chased it everywhere,
out of reach, out of sight,
who knows where it went to hide?
Weren't you once a kinder friend?
So much love and time to spend,
did you think you find yourself
following something else?

Hidden heart, hidden heart,
where do you seek a hidden heart,
Hidden heart, hidden heart,
where do you keep a heart?

Hidden heart, hidden heart,
where do you seek a hidden heart,
Hidden heart, hidden heart,
where do you keep a heart?

Hidden heart, hidden heart,
where do you seek a hidden heart,
Hidden heart, hidden heart,
where do you keep a heart?
