

You'd Be Wrong

Mark Chesnutt

You would think after all this time
I wouldn't let you in tonight
That all those feelings for you would be gone
You would think but you'd be wrong.

You would think one little kiss
Wouldn't tempt me like this
That I'd have pride and pretend to be strong
You would think but you'd be wrong.

Love can be so deceivin'
I should hate you but I don't
No matter what I do my heart
Just thinks what it wants.

Love can be so deceivin'
I should hate you but I don't
No matter what I do my heart
Still wants what it wants.

You would think that just because
I told the truth, confessed my love
I'd take you back, rather than be alone
You would think but you'd be wrong...
