It's the boss Rick Ross  
Mark Morrison, living legends

Ever since you went away  
My life ain't been the same  
Even though they know my name  
They don't know full my pain  
Cause you were the best I had  
Even though I did you bad  
Even though I loved you bad  
And now my life is sad  
The things I said to you  
The things I made you do  
When you said we were through  
Why didn't I stop you?  
From going out the door  
Instead I And I don't know what for  
Cause now I miss you more

Been around the world  
Met lots of girls  
Just the way I lived my life  
Met lots of girls, lost lots of girls  
Just the way I lived my life  
Been around the world  
Met lots of girls  
Just the way I lived my life  
Wastin' my time  
Losin' my mind  
It was the way I lived my life

Young nigga hoppin' out a Rove  
Young nigga hoppin' out a Ghost  
Just bought a teli in LA  
Young nigga walkin' out the Lowe's  
5500 for the low  
35000 for the show  
I've been pourin' up the purple shawty, you know what I do  
So what you doin's workin' shawty, you know what you're doin'  
And when I lay beside you shawty and I be fuckin' you  
I'm mixin' up the purple shawty dope in soda you know what the fuck I do  
I've been only fuckin' you  
I've been only fuckin' you

Been around the world  
Met lots of girls  
Just the way I lived my life  
Met lots of girls, lost lots of girls  
Just the way I lived my life  
Been around the world  
Met lots of girls  
Just the way I lived my life  
Wastin' my time  
Losin' my mind  
It was the way I lived my life

Spotted you on the beach, she the baddest on Collins  
Making love in my Phantom, all the things she would holler  
Sexy now that's a fact  
I would kiss it when it was waxed  
Hittin' it straight from the back  
This Return of the Mack  
Pinky stay up and do it  
One kiss and she feel the fluid  
Now you runnin' with winners where all we drive is the newest

Been around the world  
Met lots of girls  
Just the way I lived my life  
Met lots of girls, lost lots of girls  
Just the way I lived my life  
Been around the world  
Met lots of girls  
Just the way I lived my life  
Wastin' my time  
Losin' my mind  
It was the way I lived my life
